Plaintiffs Eastwest International (Taiwan) Enterprises and Victoria Point Corporation
 (collectively, "Plaintiffs"), by their attorneys Seyfarth Shaw LLP and Perkins Coie LLP, as and

for their complaint against defendants Joseph DelGreco & Company, Inc. and Joseph DelGreco (collectively, "Defendants"), allege as follows:

NATURE OF THE ACTION

1. This action involves Defendants' continued exploitation of their purported joint venture partnership with a Taiwanese manufacturer and distributor of high-end outdoor furniture products. Owing more than \$2,000,000 to Plaintiffs and unable to pay (and having caused millions more dollars in damages to Plaintiffs), Defendants have resorted to self-help and converted Plaintiffs' property while offering nothing more than hollow promise after hollow promise to make good on their contractual defaults. Despite a valid, perfected Security Agreement by Plaintiff Eastwest over all of the assets of Defendant Joseph DelGreco & Company, Inc., Defendants have dissipated and wasted this collateral. Defendant Joseph DelGreco has made improper, fraudulent, preferential, and/or illegal "distributions to shareholders" and other direct payments for the personal benefit Mr. DelGreco which total nearly \$500,000 in the last 10 months alone. These insider "distributions" and other payments (beyond salary) were made when the company was insolvent and include, among other things, Mr. Greco's mortgages on his personal residence, personal state income taxes, pool expenses at his residence, cable, country club dues, liquor charges, iTunes, video rentals, online dating services, and numerous personal cash ATM withdrawals. This action has become necessary to protect Plaintiffs' property rights and to foreclose on the collateral securing Defendants' outstanding debt.

JURISDICTION AND VENUE

2. Jurisdiction of this Court is founded upon 28 U.S.C. § 1332 based on diversity of citizenship of all parties and the amount in controversy, exclusive of interest and costs, exceeding the sum of \$75,000.

3. The venue in this action is proper in the Southern District of New York pursuant to 28 U.S.C. §§ 1391(a)(1), 1391(a)(2), 1391(a)(3), and 1391(c).

PARTIES

4. Plaintiff Eastwest International (Taiwan) Enterprises ("Eastwest") is a corporation formed under the laws of Taiwan, with its principal place of business located in Taiwan, ROC. Amongst other things, Eastwest manufactures and distributes high-end outdoor furniture products.

5. Plaintiff Victoria Point Corporation ("VPC") is a corporation formed under the laws of the British Virgin Islands, with its principal place of business located there. Part of VPC's business is to process Eastwest's invoices for payment and to act as a limited agent of Eastwest on specified matters.

6. Upon information and belief, defendant Joseph DelGreco & Company, Inc., ("DelGreco & Co.") is a New York corporation, which designs and markets high-end outdoor furniture products and related accessories. DelGreco & Co.'s principal office and place of business is located at 232 East 59th Street, New York City, New York 10022.

7. Upon information and belief, Defendant Joseph DelGreco, an individual, is the President and majority owner of DelGreco & Co., and he resides in both Annandale, New Jersey, and New York City.

FACTS APPLICABLE TO ALL CAUSES OF ACTION

A. The Promissory Note and Security Agreement

8. On or about September 26, 2007, Eastwest loaned to DelGreco & Co. the original principal amount of \$1,000,000. In consideration for the loan, DelGreco & Co. executed and delivered to Eastwest a Promissory Note pursuant to which DelGreco & Co. promised to pay Eastwest the original principal balance of \$1,000,000 together with interest and other amounts thereon (the "Note"). Attached as Exhibit A is a true and correct copy of the Note.

9. As security for, among other obligations, the \$1,000,000 loan, DelGreco & Co. executed a security agreement (the "Security Agreement") pursuant to which DelGreco & Co. granted Eastwest a security interest in all of DelGreco & Co.'s tangible and intangible rights, interests, properties, and assets, including but not limited to its bank accounts, receivables, cash on hand, inventory, negotiable instruments, equipment, general intangibles and chattel paper, and all proceeds thereof (collectively, the "Collateral").

10. Eastwest perfected its security interest in the Collateral by filing a Uniform Commercial Code Financing Statement (the "Financing Statement") with the New York Secretary of State on September 27, 2007. Attached as Exhibits B and C are true and correct copies of the Security Agreement and the Financing Statement filed with the Secretary of State.

Eastwest incorporates by reference, and thereby alleges, the content of the Security Agreement and the Financing Statement as if set forth herein in full.

11. By virtue of the Security Agreement, the Note, the \$1,000,000 loan, and the filing of the Financing Statement, Eastwest's security interest in the Collateral was perfected in accordance with applicable provisions of the New York Uniform Commercial Code on September 27, 2007.

12. Under section 8 of the Security Agreement, upon default and at Eastwest's option, the \$1,000,000 loan and all interests and penalties accrued shall become due and immediately payable without notice. Eastwest is entitled to, amongst other remedies, immediately foreclose on the Collateral. DelGreco & Co. also agreed to pay all reasonable attorneys' fees and costs incurred by Eastwest in the enforcement of the Security Agreement, including foreclosure proceedings.

B. Continuing Guaranty Agreement

13. In addition to the Note and the Security Agreement, pursuant to the Continuing Security Agreement, attached as Exhibit D, Mr. DelGreco, guaranteed and promised to pay to Eastwest any and all obligations of DelGreco & Co., including all obligations under the Note and Guaranty Agreement.

14. Pursuant to paragraph 3 of the Continuing Guaranty Agreement, DelGreco & Co. and Mr. DelGreco's obligation is triggered upon Eastwest's demand and the occurrence of one or more of the following events:

- (i.) Any fraudulent act or omission, including without limitation misappropriation or misuse of funds in connection with the Note and other indebtedness;
- (ii.) Any voluntary filing by DelGreco & Co. for relief under the Bankruptcy Code; or
- (iii.) Any act of omission by DelGreco & Co. or Mr. DelGreco that has the purpose or effect of hindering Eastwest in the exercise of its rights under any of the loan agreements.

C. DelGreco & Co. Default on the Note.

15. Defendant DelGreco & Co. has failed to make certain payments as those obligations came due under the Note.

16. Pursuant to a letter dated and delivered on July 2, 2008, a copy of which is attached as Exhibit E, Eastwest provided DelGreco & Co. with notice of multiple defaults under the Note and Security Agreement, including: refusal to allow Eastwest prompt and full access to its Collateral and DelGreco & Co.'s books and records and failure to make certain payments when due.

17. Pursuant to a letter dated and delivered on July 18, 2008, a copy of which is attached as Exhibit F, Eastwest provided DelGreco & Co. with notice of additional defaults under the Note and the Security Agreement, including: DelGreco & Co.'s failure to preserve the Collateral; its actions to sell a wholly owned subsidiary in contravention of the Security Agreement; and its improper disposition and misuse of collateral as described in detail below.

18. DelGreco & Co. remains in default and owes, as of July 31, 2008, in excess of \$1,033,808.11 under the Note, despite due demand.

D. The Second Loan.

19. In addition to the amounts advanced pursuant to the Note, Eastwest loaned to DelGreco & Co. an additional aggregate amount of \$850,000.

20. Although DelGreco & Co., upon information and belief, disputes a portion (\$100,000) of this amount, \$750,000 of this loan is undisputed and is listed as a debt to Eastwest on DelGreco & Co.'s books and records.

21. The entire balance of \$850,000 is immediately due and payable.

E. Eastwest's Investigation of the Collateral and DelGreco & Co.'s Books and Records

22. In early July, 2008, DelGreco & Co. permitted Eastwest to inspect its books and records pursuant to section 3(j) of the Security Agreement. Eastwest's inspection revealed that the value of DelGreco & Co.'s assets is less than the amount required to pay its liabilities as they become absolute and matured.

23. Eastwest's inspection also revealed that DelGreco Textiles, Inc., a 100% owned subsidiary of DelGreco & Co., which constitutes a portion of the Collateral, was encumbered with a secured lien at the time the Security Agreement was entered into and that the lien was not satisfied in full immediately following the execution of the Security Agreement (in direct violation of DelGreco & Co.'s representations and agreements in the Security Agreement). On information and belief, this Collateral was improperly disposed of when it was sold to a third party, materially breaching sections 3(a), 3(b), 3(c), 3(f), 5 and 7 of the Security Agreement.

24. Eastwest's inspection further revealed that Defendants had improperly, fraudulently, illegally and preferentially used a significant amount of DelGreco & Co.'s funds, which is a part of the Collateral, for personal and/or non-business purposes, when DelGreco & Co.'s liabilities exceed its assets.

25. Specifically, the inspection revealed that DelGreco & Co. had issued, in addition to his salary, preferential "distributions to shareholders" and other payments to Mr. DelGreco personally, totaling at least \$499,810.00 since the date of the Loan (and over \$800,000 for 2007 and the first half of 2008). These "distributions" and non-salary payments include charges related to Mr. DelGreco's mortgages on his personal residence, personal state income taxes, pool expenses at his residence, cable, country club dues, liquor charges, video rentals, partner/spousal travel, online dating services, Tiffany's, a hair salon. The inspection further revealed that Mr. DelGreco made numerous ATM withdrawals of at least \$9,786.00 for unspecified purposes.

26. DelGreco & Co.'s and Mr. DelGreco's gross misuse of the Collateral hinders Eastwest in the exercise of its rights under the Note and the Security Agreement, and the Continuing Guaranty Agreement, thereby triggering DelGreco & Co. and Mr. DelGreco's joint and several obligation to immediately pay all debts owing thereunder.

F. Defendants' Conversion of Plaintiff's Goods, Further Hindering Plaintiff's Rights under the Note, the Security Agreement, and the Continuing Guaranty Agreement.

27. In around November 2007, Glyn Peter Machin A/S, a design company owned by Mr. Machin, became interested in selling its inventory of DelGreco & Co. branded products ("Machin Goods"). On information and belief, Mr. Machin resided and currently resides in Denmark where he had possession of the Machin Goods.

28. The Machin Goods consisted of outdoor furniture based on DelGreco & Co.'s Oceansand and Siesta Chaise designs, which are products Eastwest is entitled to distribute under a Distribution Agreement not a subject to this action.

29. On information and belief, around November 2007 DelGreco & Co. entered into an agreement with Glyn Peter Machin A/S to purchase the Machin Goods. However, DelGreco & Co. could not afford to purchase the Machin Goods for the contract price of more than \$368,000. Eastwest, through VPC, then agreed to purchase the Machin Goods on a payment schedule. Eastwest has made every payment in a timely fashion as follows. In November 2007, Eastwest, through VPC, wired a down payment for the Machin Goods of \$200,000 directly to Glyn Peter Machin A/S. On the last day of each month thereafter, Eastwest has paid (through VPC) \$15,266.67 directly to Glyn Peter Machin A/S for the Machin Goods. To date, Eastwest has paid US\$357,393.02 to Glyn Peter Machin A/S for the Machin Goods, and Glyn Peter Machin A/S continues to accept Eastwest's payments. The final payment is scheduled for January 31, 2009.

30. As of December 8, 2007, Glyn Peter Machin A/S had completed delivery of the Machin Goods to Oasiq, Eastwest's warehouse facility in Belgium.

31. At or around this time, Glyn Peter Machin A/S delivered an invoice to Oasiq evidencing Eastwest's purchase of the Machin Goods.

32. Prior to shipping the Machin Goods to the United States in June 2008, Eastwest had already sold some of the Machin Goods to one of Eastwest's customers, distributed the goods from its Belgian warehouse, collected the entire amount on the invoice, and credited

DelGreco & Co.'s amounts owed with the royalty payment pursuant to the Distribution Agreement.

33. At all relevant times, Defendants reaffirmed to Plaintiff that the Machin Goods would ultimately be delivered from Belgium to Norfolk, Virginia, after which they would be transported to Eastwest's warehouse facility in North Carolina for distribution.

34. The June 21, 2008 Bill of Lading stated that the Machin Goods were to be shipped to Norfolk, Virginia (where Plaintiffs understood the goods would be transported via land to Eastwest's North Carolina warehouse).

35. Around May 2008, the business relationship between Eastwest and Defendants began to deteriorate. Mr. DelGreco complained that Eastwest's North Carolina fulfillment center was inadequate to serve his needs, and threatened to relocate the inventory to a different fulfillment center "more familiar" with the outdoor furniture industry or to otherwise find an alternative fulfillment contractor.

36. With the business relationship further deteriorating, DelGreco & Co.'s business partner Mr. Machin voided the invoice he sent to Plaintiffs evidencing their purchase of the Machin Goods. Subsequent to its destruction of the invoices, Glyn Peter Machin A/S continued to accept payment from Plaintiffs for the Machin Goods.

37. Defendants also intentionally and without Plaintiffs' knowledge or consent took steps to divert the shipment of Plaintiffs' property directly to Defendants in New York City where Defendants intend to dispose of the property, thereby interfering with Plaintiffs' possession and enjoyment of their property.

38. On information and belief, the Machin Goods are no longer destined for Eastwest's warehouse in North Carolina, but are either already in Defendants' possession or are en route to DelGreco & Co.'s warehouse in New Jersey.

39. On information and belief, at no time did DelGreco & Co. or Mr. DelGreco make any payment to Glyn Peter Machin A/S for the purchase of the Machin Goods, which consideration was required to complete the purchase agreement with Glyn Peter Machin A/S.

FIRST CAUSE OF ACTION

(CONVERSION)

40. Plaintiffs incorporate by reference the allegations of paragraphs 1 through 38 of this complaint as though fully set forth here.

41. Plaintiffs are the rightful owners of the Machin Goods.

42. Plaintiffs are the only party to have paid Glyn Peter Machin A/S for the purchase of the Machin Goods, the majority of which goods were delivered to and stored at Eastwest's Belgium warehouse prior to shipping to the United States. Up until the time when the Machin Goods were crated for shipment to the United States, Plaintiffs always maintained full control over the Machin Goods and had previously sold a portion of these goods to a customer without any protest from DelGreco & Co. Plaintiffs also credited towards balances owed by DelGreco & Co. a royalty payment for the sale of the Machin Goods pursuant to the Distribution Agreement.

43. DelGreco & Co. has paid nothing for the Machin Goods, and erroneously claims that the several hundred thousand dollars which Plaintiffs' paid for the Machin Goods was an

undocumented "loan" to DelGreco & Co. Plaintiffs never agreed to loan DelGreco & Co. *more* money for the purpose of purchasing the Machin Goods.

44. On information and belief, DelGreco & Co. has informed Glyn Peter Machin A/S that Plaintiffs' payment for the Machin Goods was a "loan," which representation convinced Glyn Peter Machin A/S to divert the shipment of the Machin Goods from their scheduled route to North Carolina directly to DelGreco & Co. in New York City.

45. DelGreco & Co. wrongfully acquired Plaintiffs' property when it purposefully, maliciously, and without Plaintiffs' consent, diverted the shipment of the Machin Goods from Norfolk, Virginia, to New York City.

46. Plaintiffs are entitled to recover from DelGreco & Co. for the actual damages sustained by Plaintiffs as a result of DelGreco & Co.'s wrongful acts described in this complaint. The amount of such damages will be proven at trial.

47. Because DelGreco & Co. acted with oppression, malice, and fraud, Plaintiffs are entitled to an award of punitive damages.

SECOND CAUSE OF ACTION

(PROMISSORY NOTE)

48. Eastwest incorporates by reference the allegations of paragraphs 1 through 47 of this complaint as though fully set forth here.

49. For value received, DelGreco & Co. executed and delivered the Note to Eastwest.

50. Eastwest is the owner and holder of the Note.

51. Default has occurred in the payment of the Note and the entire unpaid sum of principal, interest, and other amounts due thereunder, is immediately due and payable.

52. As of July 31, 2008, the aggregate sum of \$1,033,808.11 was due and owing and interest continues to accrue thereon at the rate of seven percent per annum until paid in full. DelGreco & Co. is further liable to Eastwest for costs and attorneys' fees in an amount to be established at trial.

THIRD CAUSE OF ACTION
(COMPLAINT ON ACCOUNT)

53. Eastwest incorporates by reference the allegations of paragraphs 1 through 52 of this complaint as though fully set forth here.

54. DelGreco & Co. owes Eastwest the amount of \$850,000, of which \$750,000 is undisputed and is listed as a debt to Eastwest on DelGreco & Co.'s books and records.

55. DelGreco & Co. has not paid such amount to Eastwest despite Eastwest's demand.

FOURTH CAUSE OF ACTION
(GUARANTY)

56. Eastwest incorporates by reference the allegations of paragraphs 1 through 55 of this complaint as if fully set forth here.

57. Mr. DelGreco executed and delivered the Continuing Guaranty to Eastwest in consideration for Eastwest's loan to DelGreco & Co.

58. Default has occurred under the terms of the Continuing Guaranty.

59. By virtue of the Guaranty, Mr. DelGreco is obligated to pay Eastwest the amounts set forth as due and owing in Counts 2 and 3 above.

**FIFTH CAUSE OF ACTION
(FORECLOSURE ON COLLATERAL)**

60. Eastwest incorporates by reference the allegations of paragraphs 1 through 59 of this complaint as though fully set forth here.

61. Defendant DelGreco & Co. has failed to make certain payments as those obligations came due under the Note.

62. Defendants' conduct as alleged herein constitutes a breach of the Security Agreement and an event of default under Note and the Security Agreement.

63. The interest of Eastwest in the Collateral is superior to the interests, if any, of Defendants and each of them.

64. As a result of Defendants' defaults under the Note and the Security Agreement, Eastwest is entitled to immediate possession of the Collateral so that Eastwest may offer it for sale as provided in the Security Agreement and apply the proceeds to the balance due Eastwest from Defendants.

65. Eastwest is entitled to a decree foreclosing the interests of Defendants, and each of them, in the Collateral.

SIXTH CAUSE OF ACTION
(DECLARATORY JUDGMENT)

66. Eastwest incorporates by reference the allegations of paragraphs 1 through 65 of this complaint as though fully set forth here.

67. Paragraph 8 of the Security Agreement states, in pertinent part:

“Upon the occurrence of any default or event of default, all obligations secured hereby shall, at Secured Party’s option, immediately become due and payable without notice or demand, and Secured Party shall have in any jurisdiction where enforcement hereof is sought, in addition to all other rights and remedies which Secured Party may have under law, all rights and remedies of a secured party under the Uniform Commercial Code and, in addition, the following rights and remedies, all of which may be exercised with or without further notice to Debtor: ... (e) to enter any premises where any Collateral may be located for the purpose of taking possession of or removing any Collateral; (f) to remove from any premises where any Collateral may be located, the Collateral and any and all documents, instruments, computer hardware and software, files and records, and any receptacles and cabinets containing the same, relating to the Collateral, and Secured Party may, at Debtor’s cost and expense, use the supplies and space of Debtor at any or all of its places of business as may be necessary or appropriate to properly administer and control the Collateral or the handling of collections and realizations thereon; and (g) to sell, assign, lease, or otherwise dispose of the Collateral or any part thereof, either at public or private sale, in lots or in bulk, for cash, on credit or otherwise, with or without representations or warranties, and upon such terms as shall be acceptable to Secured Party, all at Secured Party’s sole option and as Secured Party in its sole discretion may deem advisable.”

68. Defendants defaulted under the Security Agreement and, as a result, have caused Eastwest monetary injury.

69. Pursuant to Paragraph 8 of the Security Agreement, Eastwest is entitled to enter and seize the Collateral to satisfy the debt secured under the Security Agreement.

70. Defendants, upon information and belief, dispute Eastwest's right to enter and seize the Collateral without judicial process.

71. A justiciable dispute exists as between Eastwest and Defendants with respect to the seizing of the Collateral.

72. Wherefore, Eastwest is entitled to a judgment declaring that it is permitted, pursuant to the Security Agreement, to enter upon any premises owned and/or controlled by or on behalf of Defendants to seize so much of the Collateral as is necessary to satisfy the debt under the Security Agreement with or without judicial process.

PRAYER FOR RELIEF

WHEREFORE, Plaintiffs respectfully pray for the following:

- A. On Eastwest's First Cause of Action, for damages to be proven at trial.
- B. On Eastwest's Second, Third and Fourth Causes of Action, for judgment against DelGreco & Co. and Mr. DelGreco, jointly and severally, in an amount equal to the sum of:
(a) all unpaid obligations under the Note, the Continuing Guaranty, and the Security Agreement;
and (b) \$850,000.
- C. On Eastwest's Fifth Cause of Action: for an order that Defendants turn over all their books and records for Plaintiffs' complete and full audit and accounting; for a decree determining that Plaintiff Eastwest's interest in the Collateral is adjudged to be a first and prior

lien on the Collateral, superior to any right, title, claim, lien or interest on the part of the named Defendants or any persons claiming by, through or under said Defendants or either of them; and

- (1) Foreclosing Defendants' interest in the Collateral;
- (2) Directing Defendants to assemble and turn over possession and control of the Collateral and all proceeds thereof to Plaintiff;
- (3) Allowing Plaintiff Eastwest to sell the Collateral, at its option, pursuant to the provisions of the Uniform Commercial Code or as provided by the Security Agreement;
- (4) In the event that the Collateral is not surrendered promptly to Plaintiff Eastwest, that Plaintiff Eastwest shall be entitled to a writ of assistance directing the Marshal to deliver possession of the Collateral to Plaintiff; and
- (5) In the event the proceeds of sale, after allowance for costs, expenses and reasonable attorney fees as provided in the Security Agreement are insufficient to satisfy the Judgment, the deficiency may be enforced by execution as provided by law;

D. On Eastwest's Sixth Cause of Action: a judgment declaring that it is permitted, pursuant to the Security Agreement, to enter upon any premises owned and/or controlled by or on behalf of Defendants to seize so much of the Collateral as is necessary to satisfy the debt under the Security Agreement

- E. For prejudgment interest;
- F. For all additional damages and amounts owed by DelGreco & Co. to Eastwest.
- G. For an Order awarding Plaintiffs their attorneys' fees and costs; and

H. For an Order awarding Plaintiffs such other and further relief as the Court deems proper and just.

"Licensed Products" shall mean and include all outdoor furniture and related accessories based on the designs set forth in Schedule 1, which is attached hereto and incorporated herein by reference, as the same may be amended from time to time by agreement of all Parties, that are manufactured, produced, or sold during the Term under any of the Marks, including but not necessarily limited to Trade Products, Retail Products, and International Products.

1.4. "Marks" shall mean and include the "DeiGreco" brand name for outdoor furniture and related accessories, including all related trademarks, trade names, trade dress owned by Licensor and used or useful in the manufacture, distribution, and sale of the Licensed Products.

1.5. "Retail Products" shall mean and include all Licensed Products sold during the Term by or through any store, showroom, outlet, chain, retailer, or other location or seller within the United States and Canada, other than through the Trade Showroom Network.

1.6. "Trade Products" shall mean and include all Licensed Products sold by Licensor through the Trade Showroom Network during the Term.

1.7. "Trade Showroom Network" shall mean and include the New York trade showroom owned and/or operated by Licensor as of the Effective Date, all other trade showrooms (if any) opened and operated by Licensor during the Term, all trade showrooms not owned or operated by Licensor through which Licensor as of the Effective Date sells or has an existing contract or established relationship to sell Trade Products, and all such affiliated trade showrooms with which Licensor enters into such a contract or relationship from and after the Effective Date, as well as any sales representatives employed, contracted with, trained and/or overseen by Licensor who is not employed by or under contract with or to Licensee.

2. **Term.** This term of this Agreement (including any renewals and extensions hereof, the "Term") shall commence on the Effective Date and continue thereafter for a period of fifteen (15) years, unless sooner terminated or renewed pursuant to the terms hereof.

3. **Grant of Exclusive License.**

3.1 **Exclusive License.** Licensor hereby grants to Licensee an exclusive, irrevocable (except as hereinafter provided), license during the Term:

- (i) to manufacture and produce the Trade Products solely for and on behalf of Licensor, to distribute the Trade Products solely to Licensor and its affiliates in the Trade Showroom Network, and to use and reproduce the Marks for all purposes necessary or appropriate in connection with such manufacture, production, and distribution, subject to the terms and conditions set forth in this Agreement; and
- (ii) to manufacture, produce, distribute, market, and sell the Retail Products within the United States and Canada, and the International Products everywhere outside of the United States and Canada, and to use and reproduce the Marks for all purposes necessary for such manufacture, production, distribution, marketing, and sale, subject to the terms and conditions set forth in this Agreement.

3.2 **Conditions of License.** The license granted under this Agreement is contingent upon and subject to Licensee's use of the Marks in accordance with the terms hereof and in conformance with Licensor's applicable trademark usage policies, which shall be communicated to Licensee from time to time by Licensor. All uses and placement of the Marks, including, without limitation, the graphic representation of the Marks, shall be subject to Licensor's prior written approval, which approval shall not be unreasonably withheld. Licensee shall not use any of the Marks as part of its domain name, corporate or business names, or otherwise imply that they are owned or controlled by or otherwise affiliated with Licensor. Licensee shall not use any Marks in any manner that implies or suggests a relationship with Licensor other than that which is set forth in this Agreement. Licensee acknowledges and agrees that it has no right, title or interest in any Marks, except for the license expressly granted under this Section 3. Any rights in or to any Marks accruing through the use thereof by Licensee shall inure solely to benefit of Licensor. Licensee shall not take any action that is inconsistent with Licensor's ownership of the Marks. Without limiting the foregoing, Licensee shall not use any third party trademarks, trade names, logos or other commercial or product designations in a manner that is likely to cause confusion with respect to the Marks. Licensee's rights to use the Marks, and all other licenses granted hereunder, shall cease immediately upon expiration or earlier termination of this Agreement (at all times performing in a way satisfactory to Licensor), except strictly as provided in Section 14 of this Agreement.

3.4 Reservation of Rights. Any and all rights not expressly granted to Licensee herein shall remain exclusively with Licensor.

4. Royalties. Licensor shall be entitled to payment by Licensee of royalties in connection with Licensee's sale of Licensed Products, with no guaranteed minimum royalty, in accordance with this Section 4.

4.1 Trade Products. Licensor shall pay for the Trade Products in accordance with Section 9 of this Agreement. Licensor shall not be entitled to payment of any royalty by Licensee or any other person or entity from the sale of any Trade Products. In addition, Licensor is responsible for any royalty payments that are owed to any third party designers entitled to any royalties stemming from Licensor's sale of any Trade Products.

4.2 Retail Products. Licensee shall pay to Licensor a royalty of seven percent (7.0%) of Gross Receipts from the sale of any Retail Products. Licensor is responsible for any royalty payments that are owed to any third party designers entitled to any royalties stemming from the manufacture, distribution, or sale of any Retail Products.

4.3 International Products. Licensee shall pay to Licensor a royalty of seven percent (7.0%) of Gross Receipts from the sale of any International Products. Licensor is responsible for any royalty payments that are owed to any third party designers entitled to any royalties stemming from the manufacture, distribution, or sale of any International Products.

4.4 Payment of Royalties. Royalties payable from Licensee to Licensor under this Agreement shall be paid quarterly with respect to each three-month period ending March 31, June 30, September 30 and December 31 during the Term. Such payments will be made within thirty (30) days after the end of each such calendar quarter, and each payment will be accompanied by a statement of Gross Receipts for the three-month period involved. Notwithstanding the foregoing, the first royalty payment will be payable with respect to the period commencing on the Effective Date and continuing through December 31, 2007, and shall be due on or before January 30, 2008. Licensee may but shall not be obligated to offset against royalties payable to Licensor hereunder any amounts then owed and past due for longer than thirty (30) days from Licensor to Licensee for or related to Licensor's purchase of Trade Products. Licensee's obligation to pay royalties to Licensor hereunder shall terminate immediately upon the expiration or earlier termination of this Agreement.

4.5 Records. Licensee agrees that it will at all times keep complete, true, and correct books of account containing a current record of sales and Gross Receipts in sufficient detail to enable the royalties payable under this Agreement to be computed and verified. Licensee further agrees to permit Licensor or its duly authorized representative or, at Licensor's option, a qualified auditor, to inspect such records at Licensee's North Carolina distribution facility, during such facility's normal business hours, by appointment upon not less than thirty (30) days prior, written request and no more than twice during any twelve (12) month period during the Term, at Licensor's sole cost and expense except as provided below. For purposes of this Section 4.5, the

term "qualified auditor" shall mean a reputable, experienced, certified public accountant who, individually or through any past or present employer or principal, has no existing or prior personal or professional relationship with Licensor, and who is not engaged to conduct the audit on a contingency basis. In the event the audit reasonably determines royalties payable to Licensor for any period during the Term of six (6) months or longer exceeds the royalties actually paid or promised to Licensor for the same period by more than five percent (5%), Licensor shall be entitled to reimbursement for the cost of such audit and remit payment for any outstanding royalties within thirty (30) days after Licensee's receipt of the notice of the results of such audit and a complete copy of the audit report.

5. **Manufacturing.** Except as otherwise provided in this Agreement, Licensee shall have the exclusive right and obligation during the Term to manufacture and produce all Licensed Products on behalf of Licensor pursuant to this Agreement. Designs for the Licensed Products existing as of the Effective Date shall be provided by Licensor to Licensee for use in manufacturing the Licensed Products. Subject to Licensor's final written approval, all modifications to such designs and any new Licensed Products designs shall be developed through the input and cooperation of both Parties, and both Parties shall collaborate to increase Licensed Products offerings in accordance with market conditions and other appropriate factors and considerations. Nothing in this Agreement shall impair or preclude Licensee from manufacturing, producing, distributing, or selling any goods of any nature or kind whatsoever other than the Licensed Products. Similarly, nothing in this Agreement shall impair or preclude Licensor from manufacturing, producing, distributing, or selling any goods of any nature or kind whatsoever that do not bear any of the Marks.

6. **Quality Control.** All Licensed Products manufactured by Licensee hereunder shall conform to the applicable quality standards and specifications for such Licensed Products as mutually agreed by the parties from time to time ("Specifications"). Licensee shall maintain appropriate test and inspection procedures to ensure maintenance of such standards of quality. Licensee shall test the Licensed Products for compliance with the respective Specifications, and shall provide to Licensor written certification at the time of each shipment that the Licensed Products meet such Specifications at the time of shipment and delivery from Licensee's manufacturing facilities. Licensee shall maintain written records of its tests of the Licensed Products for a period of five (5) years after shipment of such Licensed Products from Licensee's manufacturing facilities and shall make such records available for inspection by Licensor at Licensee's principal U.S. manufacturing facility for the License Products, during such facility's normal business hours, by appointment upon not less than thirty (30) days prior, written request or such shorter period of time as Licensee and Licensor may agree in writing. No material deviation from such Specifications and no material change to any Licensed Products, to Licensee's manufacturing methods, or to the raw materials used therein, shall be made by Licensee, in each case without the prior written consent of Licensor. Additionally, Licensee agrees to comply with all applicable laws in performing its obligations. Similarly, Licensee shall, and shall use commercially reasonable efforts to cause any and all resellers and sub-distributors appointed by Licensee to, adhere to any quality standards as may be mutually agreed to by Licensee and Licensor from time to time. In any event, at a minimum Licensee shall, and

shall cause any and all resellers and sub-distributors appointed by Licensee to: (a) perform its and their obligations in a professional, workmanlike manner in accordance with industry standards; (b) conduct its and their business in a manner that reflects favorably on Licensor and the Licensed Products; (c) not engage in deceptive, misleading or unethical practices; and (d) comply with all applicable laws.

7. **Distribution.** Upon the Effective Date, Licensee's North Carolina warehousing and distribution facility shall become the United States Distribution Center for all Licensed Products. Except as otherwise provided in this Agreement, Licensee shall have the exclusive right and obligation during the Term to provide, at its cost, secure storage and efficient distribution of all Licensed Products between and among Licensee's manufacturing facilities and warehouses, and the Trade Showroom Network, as well as to any seller or sub-distributor of Retail Products or International Products in accordance with any separate sales or distribution agreement between Licensee and any such seller or sub-distributor. Licensee agrees to maintain an initial base stock inventory of Trade Products equal to approximately five hundred thousand dollars (\$500,000). The base stock inventory for Trade Products will be adjusted by mutual agreement among Licensee and Licensor quarterly based on sales through the Trade Showroom Network, manufacturing and distribution capacity, market factors, and other considerations. Both Parties shall collaborate to increase distribution channels for Licensed Products in accordance with market conditions and other appropriate factors and considerations. Without limiting the foregoing, Licensee shall use commercially reasonable efforts to maximize distribution and sales of the Licensed Products (excluding Trade Products).

7.1. **Existing Stock.** On or before the Effective Date, Licensee shall pick up from Licensor's Edison, New Jersey, warehouse and deliver to Licensee's North Carolina warehouse all existing stock of Licensed Products in Licensor's possession, except such products as have been sold but not delivered to customers or as Licensor may elect to hold for future sale. Licensor and Licensee shall share equally the cost of such pick-up and delivery. Licensor shall be entitled to a credit against outstanding invoices issued to Licensor by Victoria Point Corporation (Licensee's invoicing agent) for such stock, based on factory invoice prices. Nothing in this Agreement shall relieve Licensor of its obligation to pay Licensee (or Victoria Point Corporation, as the case may be) for any invoice (or partial amount thereof) that remains outstanding and unpaid after application of all such credits, and Licensor shall pay all such invoices and amounts within thirty (30) days after the Effective Date.

7.2. **Trade Products Cushions.** Licensee shall be responsible, at Licensee's sole cost and expense, for manufacturing and providing, or causing to be manufactured and provided, all cushions for all Trade Products, using exterior-grade foam, and all covers for such cushions, using fabric to be selected and supplied by Licensor and/or Licensor's customers, in accordance with reasonable standards and specifications to be developed and agreed upon by Licensor and Licensee.

Such sales shall be conducted through the Trade Showroom Network and by sales representatives employed, contracted with, trained, and/or overseen by Licensor.

8.2. Retail Products and International Products. Licensee shall have all rights and responsibilities for all sales during the Term of Retail Products within the United States and Canada and of International Products anywhere else in the world.

9. Pricing. All Retail Products and International Products shall be sold in accordance with price schedules determined by Licensee. Prices for all Trade Products shall be mutually agreed to by Licensor and Licensee and shall at a minimum result in a gross profit of forty five percent (45%) for Licensor from the sale of such Trade Products; provided, however, that as an inducement to Licensee to accommodate such minimum gross profits and as a condition of the same, Licensor agrees that at least two-thirds of that minimum gross profit (i.e., a 30% commission) shall be paid to trade showrooms in the Trade Showroom Network, other than trade showrooms owned and operated by Licensor, to enhance sales of Trade Products for the benefit of both Parties. All Trade Products will be sold to and purchased by Licensor on a cash-before-delivery (CBD) basis, FOB Licensee's North Carolina warehouse.

10. Promotion.

10.1 Trade Products. Marketing, advertising, and promotion of the Trade Products, and all costs incurred therefore, shall be the responsibility of Licensor. Licensee shall have no obligation to promote or pay for any promotional expenses for or related to the Trade Products.

10.2 Retail Products and International Products. Marketing, advertising, and promotion of the Retail Products and the International Products, and all costs incurred therefore, shall be the responsibility of Licensee. Licensor shall have no obligation to promote or pay for any promotional expenses for or related to the Retail Products or the International Products.

11. Representations and Warranties. Each Party makes the following representations and warranties for the benefit of each other Party:

- (i) it has all necessary right and power to enter into this Agreement and to fully perform its obligations hereunder;
- (ii) it has not made, nor will it make, any commitment to a third party in conflict with or in derogation of its rights and obligations under this Agreement;

- (iii) it is not aware of any legal limitation, including patents, licenses, or other intellectual property rights of any nature of any third party, that could prevent it from entering into and carrying out the provisions of this Agreement;
- (iv) it is a body corporate validly existing under the laws of the place of its incorporation and is capable of suing and being sued in its own name;
- (v) it is subject to and bound by the covenants, terms, and conditions of this Agreement, which is a valid and binding obligation enforceable in accordance with its terms, subject to any statute of limitations and any laws of bankruptcy, insolvency, liquidation, reorganization or similar laws generally affecting creditors' rights and to general equitable principles;
- (vi) it acknowledges and agrees that the other Party has entered into this Agreement in reliance on the representations and warranties in this Section 11.

12. Indemnification.

12.1 Indemnification. Each Party ("Indemnitor") shall indemnify, defend and hold harmless the other Party, its affiliates and their respective directors, officers, shareholders, employees and agents ("Indemnitee"), from and against any and all third party claims (including all losses, obligations, liabilities, damages, recoveries, costs and expenses, including court costs and reasonable attorneys fees, relating thereto) (collectively, "Losses") arising out of or in connection with: (a) any violation or infringement by Indemnitor upon any common law or statutory rights of any third party, including rights relating to copyrights, patents, trade marks, contractual rights or trade secret rights (other than to the extent caused by and attributable to the acts or omissions of Indemnitee); (b) any breach of or any failure to observe or perform any of Indemnitor's covenants, representations, warranties or obligations under this Agreement; (c) with respect to Licensee as Indemnitor, any product liability or defect, including any death, illness, personal injury or property damage, arising out of or in connection with the manufacture, distribution, or other disposition of the Licensed Products (other than to the extent caused by and attributable to the acts or omissions of Licensor); and (d) with respect to Licensor as Indemnitor, any product liability or defect, including any death, illness, personal injury or property damage, arising out of or in connection with any designs or specifications provided to Licensee by or on behalf of Licensor, of, or for any Licensed Product (other than to the extent caused by or attributable to the acts or omissions of Licensee).

12.2 Indemnification Procedures. In connection with any claim for which a Party seeks indemnification hereunder from another Party, the Party seeking indemnification: (a) shall give the Indemnitor prompt written notice of the claim, provided, however, that failure to provide such notice shall not relieve the Indemnitor from its liability or obligation hereunder,

except to the extent Indemnitor is prejudiced thereby; (b) shall reasonably cooperate with the Indemnitor, at the Indemnitor's expense, in connection with the defense and settlement of the claim; and (c) shall permit the Indemnitor to control the defense and settlement of the claim; provided, however, that the Indemnitor may not settle the claim without the Indemnitor's prior written consent, which shall not be unreasonably withheld or delayed. Notwithstanding the above, the Indemnitor, at its cost, may participate in the defense of the claim through counsel of its own choosing and shall so participate to the extent any action or proceeding includes one or more claims against Indemnitor that are not covered by or subject to the Indemnification obligations pursuant to Section 12.1.

13. **Default.** In the event of any material breach of this Agreement, the Party alleging such breach shall give written notice of the breach to the breaching Party, including sufficient detail to enable the breaching Party reasonably to determine or understand (i) the act(s) or omission(s) by which the breach is alleged to have occurred, and (ii) the act(s) or omission(s) required or sufficient to cure the breach. If the specified breach has not been cured, whether by the specified cure or otherwise, within thirty (30) days of the breaching Party's receipt of written notice of the breach, the Party alleging the breach may terminate this Agreement by written notice given in accordance with Section 15.

14. **Termination.** Any Party may terminate this Agreement in the event of any material breach hereof, where such breach remains uncured for a period of thirty (30) days following written notification of such breach in accordance with Section 13, by written notice to the other Party. Unless a longer period is stated in the termination notice, the termination shall be effective on the date ("Termination Date") that is thirty (30) days after the breaching Party's receipt of the termination notice.

14.1 Acceleration of Note Upon Termination. Notwithstanding anything in this Agreement or any of the Loan Documents to the contrary, upon the termination of this Agreement by Licensor or Licensee, and Licensee's election in its sole and absolute discretion by written notice to Licensor, the Loan and the Note evidencing the Loan shall immediately become all due and payable.

14.2 Post-Termination Rights. Notwithstanding anything in this Agreement to the contrary, Licensee shall have the following rights with respect to the manufacture, distribution, and sale of Licensed Products after Licensee's giving or receipt of notice of any termination of this Agreement:

- (i) to continue and complete the production and delivery of any Licensed Products that are in process upon Licensee's giving or receipt of such notice, or for which materials have as of such time been received or irrevocably ordered by Licensee that cannot in Licensee's reasonable judgment be converted to other profitable uses, and Licensee shall be entitled to payment therefor in

accordance with this Agreement and any pricing or payment arrangements then in effect related hereto;

Nothing in this Agreement shall relieve Licensee from the payment of any royalties accrued prior to the effective date of expiration or termination of this Agreement, it being acknowledged and agreed that such obligations shall survive any termination or expiration of this Agreement; provided, however, that Licensee may but shall not be obligated to offset against any amounts due and payable from Licensor to Licensee hereunder or under the Note any royalties payable to Licensor for Licensed Products sold after the Termination Date.

All payments under this Note shall be made in lawful money of the United States, by wire transfer funds, cashier's or certified checks, or Borrower's checks delivered to Lender. Borrower's checks shall constitute payment only when collected, provided that Lender shall use commercially reasonable efforts to facilitate prompt collection of such checks.
4. **Interest.** Interest shall accrue on the outstanding balance of the Loan Amount, and on each subsequent loan disbursement in excess of such Loan Amount (if any) made by Lender to Borrower hereunder (which Lender may but shall not be obligated to make), from the date of disbursement until paid, at the rate of seven percent (7%) per annum ("Interest Rate"), subject only to the Default Interest Rate as set forth and defined in Paragraph 8 of this Note and applicable law, pursuant to Paragraph 13.4 of this Note. Notwithstanding anything in this paragraph 4 to the contrary, under no circumstances shall Lender be obligated to make any disbursements or advance any funds to Borrower in excess of the Loan Amount.
5. **Payments.**
 - 5.1 **Payment of Interest.** Borrower shall pay Lender, upon execution and delivery of this Note, prepaid interest on the outstanding balance of the Loan Amount from the first date of funding the Loan to, but not including, the first day of the month following the month in which the Loan is first funded, appropriately prorated. continuing until the Loan Amount, with interest thereon, and all applicable fees, costs, and expenses, are paid in full.

5.2 **Payment of Principal.** Borrower shall make sixteen (16) quarterly payments of principal in the amount of Fifty Thousand Dollars (US\$50,000.00) each commencing on March 31, 2009, and continuing on each June 30, September 30, December 31, and March 31 thereafter through December 31, 2012.

3. **Representations and Warranties.** Debtor represents, warrants and agrees that: (a) Debtor has full title to the Collateral, free from any liens, encumbrances, defenses or other claims; (b) the security interest in the Collateral constitutes a first, prior and indefeasible

security interest; (c) as of the date of this Agreement, no financing statement covering the Collateral, or any part thereof, is on file in any public office, except in favor of Secured Party, or any financing statement covering the Collateral, or any part thereof, that is on file in any public office as of the date of this Agreement in favor of any person or entity other than Secured Party shall be released, terminated, and removed of record, and the obligation secured thereby shall be paid and satisfied in full, within ten (10) days after the date hereof and as a condition precedent to any obligation by Secured Party to make any disbursement of the Loan Amount (as defined in the Note); (d) Debtor will execute all documents and take such other action as Secured Party reasonably deems necessary (including, upon request by Secured Party, filing one or more financing statements with any public office) to create and perfect a security interest in the Collateral; (e) Debtor will at its sole cost and expense, and to Secured Party's reasonable satisfaction, defend, settle or otherwise dispose of any claims that may be made against the Collateral; (f) the Collateral will be maintained in good condition and repair, and will not be used, sold, or transferred in violation of any applicable laws, rules, or regulations; (h) Debtor will pay and discharge all taxes and liens on the Collateral prior to delinquency; (i) Debtor will maintain insurance on the Collateral covering such risks and in such form and amount as may be reasonably required by Secured Party from time to time, with insurers reasonably satisfactory to Secured Party and with loss payable to Secured Party as its interest may appear, and upon request Debtor will deliver the original of such policy or policies to Secured Party; (j) Debtor will permit Secured Party reasonable and prompt access from time to time on written request for the purpose of inspecting the Collateral and Debtor's books and records pertaining thereto; and (k) the Collateral will at all times remain personal property.

If (a) an event of default has occurred, and (b) Debtor unreasonably refuses or fails to cooperate with Secured Party's request for information under this Section 4 or to obtain the requested information within a reasonable time from one or more obligors on the Collateral, then Secured Party may request such information directly from the affected obligor(s).

5. **Disposal of Collateral.** So long as no event of default shall have occurred hereunder, and subject to the Loan Agreement, Debtor may, in the ordinary course of its business: (a) sell or otherwise dispose of any Collateral consisting of inventory; and (b) receive and dispose of collections on the Collateral.

6. **Cure by Secured Party.** In the event that Debtor, after due notice as set forth in Section 7 below, shall default in its performance of any obligation hereunder, Secured Party may, but shall not be obligated to, perform the same, and the reasonable cost thereof shall be payable by Debtor to Secured Party immediately and without demand, and any unpaid amounts shall bear interest at the Default Interest Rate under the Note and shall be secured by this Agreement.

7. **Default.** There shall be a "default" or an "event of default" hereunder upon the occurrence of any of the following events: (a) default in the payment or performance of any obligation secured hereby or contained herein and the continuance of such default for ten (10) days after written notice of default from Secured Party to Debtor at the address for notice

provided in the Note; (b) breach of any representation or warranty contained herein and the continuance of such breach for ten (10) days after written notice of default from Secured Party to Debtor at the address for notice provided in the Note; or (c) occurrence of any "default" or "event of default" under the Note or any other security document or any other obligation secured hereby or any security therefor. Nothing herein is intended or shall be construed to be a grant by Secured Party to Debtor of any grace period or other delay in Secured Party's right to enforce strictly its right to timely payment of interest, principal, and other charges as set forth in the Note.

8. **Secured Party's Rights Upon Default.** Upon the occurrence of any default or event of default, all obligations secured hereby shall, at Secured Party's option, immediately become due and payable without notice or demand, and Secured Party shall have in any jurisdiction where enforcement hereof is sought, in addition to all other rights and remedies which Secured Party may have under law, all rights and remedies of a secured party under the Uniform Commercial Code and, in addition, the following rights and remedies, all of which may be exercised with or without further notice to Debtor: (a) to settle, compromise or release on terms acceptable to Secured Party, in whole or in part, any amounts owing on the Collateral; (b) to enforce payment and prosecute any action or proceeding with respect to any and all of the Collateral; (c) to extend the time of payment, make allowances and adjustments and issue credits in Secured Party's name or in the name of Debtor; (d) to foreclose the liens and security interests created under this Agreement or under any other agreement relating to the Collateral by any available judicial procedure or without judicial process; (e) to enter any premises where any Collateral may be located for the purpose of taking possession of or removing any Collateral; (f) to remove from any premises where any Collateral may be located, the Collateral and any and all documents, instruments, computer hardware and software, files and records, and any receptacles and cabinets containing the same, relating to the Collateral, and Secured Party may, at Debtor's cost and expense, use the supplies and space of Debtor at any or all of its places of business as may be necessary or appropriate to properly administer and control the Collateral or the handling of collections and realizations thereon; and (g) to sell, assign, lease, or otherwise dispose of the Collateral or any part thereof, either at public or private sale, in lots or in bulk, for cash, on credit or otherwise, with or without representations or warranties, and upon such terms as shall be acceptable to Secured Party, all at Secured Party's sole option and as Secured Party in its sole discretion may deem advisable. Debtor irrevocably appoints Secured Party its true and lawful attorney in fact, which appointment is coupled with an interest, for purposes of accomplishing any of the foregoing. The net cash proceeds resulting from the collection, liquidation, sale, lease or other disposition of the Collateral shall be applied, first, to the reasonable expenses (including reasonable attorneys' fees) of retaking, holding, storing, processing and preparing for sale, selling, collecting, liquidating and the like, and then to the satisfaction of all obligations and indebtedness secured hereby. Such proceeds shall be applied to particular obligations and indebtedness, or against principal or interest, in Secured Party's absolute discretion. Debtor will, at Secured Party's request, assemble all Collateral and make it available to Secured Party at such place or places as Secured Party may designate which are reasonably convenient to both parties, whether at the premises of Debtor or elsewhere, and will make available to Secured Party all premises and facilities of Debtor wherein Collateral may be located for the purpose of Secured Party's taking possession of the Collateral or removing or putting the Collateral in saleable form. Debtor agrees to pay all reasonable costs and expenses incurred by Secured Party in the

enforcement of this Agreement, including without limitation reasonable attorneys' fees, whether or not suit is filed hereon.

9. **Interpretation.** This Agreement may not be altered or amended except with the written consent of each of the parties. Where the context permits, the plural term shall include the singular, and vice versa. Where more than one person, partnership, corporation or other entity executes this Security Agreement as Debtor, their liability hereunder shall be joint and several. This Security Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of New York, without reference to its conflicts of laws principles.

IN WITNESS WHEREOF, the undersigned has caused this Security Agreement to be executed as of the day and year first above written.

EXHIBIT 5

CONTINUING GUARANTY

Each of the undersigned (each, a "Guarantor"; if more than one, collectively the "Guarantors") hereby requests and authorizes EAST-WEST-INTERNATIONAL (TAIWAN) ENTERPRISES, a corporation formed under the laws of Taiwan, ROC, or assignee ("Creditor") to extend credit to JOSEPH DELGRECO & COMPANY, INC., a corporation formed under the laws of the State of New York ("Debtor"), and, in consideration of the granting of such credit by Creditor to Debtor, each undersigned Guarantor hereby agrees as follows:

1. The words "indebtedness" and "credit" are used herein in their most comprehensive sense and include any and all advances, debts, obligation, and liabilities, including interest thereon, of Debtor heretofore, now or hereafter made, incurred or created, with or without notice to any Guarantor, whether voluntary or involuntary and however arising, whether due or not due, absolute or contingent, liquidated or unliquidated, determined or undetermined, and whether Debtor is liable individually or jointly with others, and whether recovery upon any such indebtedness or credit is or hereafter becomes barred by any statute of limitations or is or hereafter becomes otherwise enforceable.

2. Credit may be granted from time to time at the request of Debtor and without further authorization from or notice to any Guarantor even though Debtor's financial condition may have deteriorated since the date hereof. If Debtor is a corporation, a limited liability company, or a partnership, Creditor need not inquire into the power of Debtor or the authority of its officers, directors, members, managers, partners or agents acting or purporting to act on its behalf. Each credit heretofore or hereafter granted to Debtor shall be considered to have been granted at the special instance and request of each Guarantor and in consideration of and in reliance upon this Continuing Guaranty.

3. Each and all of the Guarantors, jointly and severally, hereby guaranty and promise to pay to Creditor or its order, upon demand by Creditor following the occurrence of any event or circumstance listed in paragraphs 3.a. through 3.c., below, any and all indebtedness of Debtor to Creditor and to perform any and all obligations of Debtor under the terms of any instrument evidencing or securing any such indebtedness (collectively, the "Loan Documents"), including but not limited to a promissory note (the "Note") in the principal amount of One Million Dollars (US\$1,000,000.00) made by Debtor in favor of Creditor, together with all reasonable costs, attorneys' fees and other expenses provided for in this Continuing Guaranty. If no amount is set forth in paragraph 17 hereof, the liability of the Guarantors hereunder shall be unlimited, except by the validity of Creditor claims under the Loan Documents, notwithstanding anything in this Continuing Guaranty to the contrary. The events and circumstances that will trigger the Guarantors' liability under this Continuing Guaranty (solely to the extent liability or damages of the Creditor actually arise as a result thereof), shall include the following:

- a. Any intentional, reckless, or negligent misrepresentation, omission, or concealment of a material fact by Debtor or any Guarantor to Creditor, written or oral, in the Loan Documents or otherwise, or any other fraudulent act or omission, including without limitation misappropriation or misuse of funds, in connection with any indebtedness or credit to which this Continuing Guaranty applies.
- b. Any voluntary filing by Debtor for relief under any chapter of the U.S. Bankruptcy Code.

- c. Any act or omission by Debtor or any Guarantor that has the purpose or effect of hindering Creditor in the exercise of its rights under the Loan Agreement or any of the other Loan Documents.

4. Either before or after revocation hereof and in such manner, upon such terms, and at such time as it considers best, and upon notice to Guarantors, Creditor may alter, compromise, accelerate, extend or change the time or manner for the payment of any indebtedness hereby guaranteed, increase or reduce the rate of interest thereon, release or add any one or more guarantors or endorsers, accept additional or substituted security therefor, or release or subordinate any security therefor. No exercise or non-exercise by Creditor of any right hereby given it, no dealing by Creditor with Debtor or any other person, and no change, impairment or suspension of any right or remedy of Creditor shall in any way affect any of the obligations of any Guarantor hereunder or any security furnished by any Guarantors or give any Guarantor recourse against Creditor whatsoever.

5. Each Guarantor hereby waives and agrees not to assert or take advantage of (a) any right to require Creditor to proceed against the Debtor or any other person, firm or corporation or to proceed against or exhaust any security held by it at any time or to pursue any other remedy in its power; (b) the defense of the statute of limitations in any action hereunder or for the collection of any indebtedness guaranteed hereby; (c) any defense that may arise by reason of the incapacity, lack of authority, death or disability of, or revocation hereof by, any other or others, or the failure of Creditor to file or enforce a claim against the estate (either in administration, bankruptcy, or other proceeding) of any other or others; (d) demand, protest and notice of any kind including, without limiting the generality of the foregoing, notice of the existence, creation or incurring of new or additional indebtedness or of any action or non-action on the part of the Debtor, Creditor, any endorser, creditor of Debtor or Guarantors under this or any other instrument, or any other person whomsoever, in connection with any obligation or evidence of indebtedness held by Creditor as collateral or in connection with any indebtedness hereby guaranteed; (e) any defense based upon an election or remedies by Creditor, including without limitation, an election to proceed by non-judicial rather than judicial foreclosure, which election destroys or otherwise impairs subrogation rights of any Guarantor (and may waive immunity to a deficiency judgment) or the right of any Guarantor to proceed against Debtor for reimbursement, or both; and (f) any duty on the part of Creditor to disclose to any Guarantor any facts that it may now or hereafter know about Debtor, regardless of whether Creditor has reason to believe that any such facts materially increase the risk beyond that which any Guarantor intends to assume or has reason to believe that such facts are unknown to any Guarantor, and whether or not Creditor has or may have a reasonable opportunity to communicate such facts to any Guarantor, it being understood and agreed that Guarantors are fully responsible for being and keeping informed of the financial condition of Debtor and of all circumstances bearing on the risk of nonpayment of any indebtedness hereby guaranteed. Each Guarantor waives all rights and defenses arising out of an election of remedies by Creditor, even though that election of remedies, such as a non-judicial foreclosure with respect to security for a guaranteed obligation, has or may have destroyed any Guarantor's rights of subrogation and reimbursement against the principal by operation of law or otherwise. Without in any way limiting the foregoing, or any other provision of this Continuing Guaranty, each undersigned Guarantor agrees that nothing contained in this Continuing Guaranty shall prevent Creditor from suing under the Note or from exercising any rights available to them under the Note or under any of the other loan and security agreements executed by Debtor to or in favor of Creditor, and that the exercise of any of these rights shall not constitute a legal or equitable discharge of any Guarantor. Each Guarantor understands that the exercise by Creditor of certain rights and remedies contained in the Note and security agreements securing the Note may affect or eliminate the Guarantors' right of subrogation against Debtor and that the Guarantors may therefore succeed to a partially or totally

non-reimbursable liability hereunder. Nevertheless, each Guarantor hereby authorizes and empowers Creditor to exercise, in its sole discretion, any rights and remedies, or any combination of rights and remedies that may then be available, since it is the intent and purpose of each Guarantor that the obligations hereunder shall be absolute, independent, and unconditional under any and all circumstances. The Guarantors understand that each may have a defense to a delinquency judgment under applicable law should Creditor elect to pursue non-judicial foreclosure remedies, and if and to any extent such a defense is available to any Guarantor, each Guarantor hereby expressly waives any and all benefits of any defense to a deficiency judgment should Creditor elect to exercise their non-judicial foreclosure remedies.

6. Until all indebtedness of Debtor to Creditor has been paid in full, even though such indebtedness may be in excess of the liability of the Guarantors hereunder, the Guarantors shall have no right of subrogation and waive any right to enforce any remedy which Creditor now has or may hereafter have against Debtor and any benefit of, and any right to participate in, any security now or hereafter held by Creditor.

7. Each Guarantor will file all claims against Debtor in any bankruptcy or other proceeding in which the filing of claims is required by law upon any indebtedness of Debtor such Guarantor and will assign to Creditor all of the rights of the Guarantor thereunder. If any Guarantor does not file any such claim, Creditor, as attorney-in-fact for the Guarantor, is hereby authorized to do so in the name of the Guarantor or, in the reasonable discretion of Creditor, to assign the claim and to cause proof of claim to be filed in the name of the nominee of Creditor. In all such cases, whether in administration, bankruptcy or otherwise, the person or persons authorized to pay such claim shall pay to Creditor the full amount thereof and, to the full extent necessary for the purpose, each Guarantor hereby assigns to Creditor all rights to any such payments or distributions to which the Guarantor would otherwise be entitled. If the amount so paid is greater than the guaranteed indebtedness then outstanding, Creditor will pay the amount of the excess to the person entitled thereto.

8. With or without notice to any Guarantor, Creditor, in its sole discretion and at any time and from time to time either before or after delivery of any notice of revocation hereunder and in such terms as it considers fit may (a) apply any or all payments or recoveries from Debtor, from any Guarantor or from any other guarantor under any other instrument or realized from any security, in such manner and order or priority as Creditor wishes, to any indebtedness of Debtor to Creditor, whether or not such indebtedness is guaranteed hereby or is otherwise secured or is due at the time of such application; and (b) refund to Debtor any payment received by Creditor upon any indebtedness hereby guaranteed and payment of the amount refunded shall be fully guaranteed hereby. Any recovery realized from any Guarantor or from any guarantor under any other instrument shall be first credited upon that portion of the indebtedness of Debtor to Creditor which exceeds the maximum liability of the Guarantors, if any, hereunder.

9. The amount of the liability of the Guarantors and all rights, powers and remedies of Creditor hereunder and under any other agreement now or at any time hereafter in force between Creditor and the Guarantors shall be cumulative of and not alternative to any such rights, powers and remedies given to Creditor by law.

10. The obligations of each Guarantor hereunder are independent of the obligations of Debtor and, in the event of any default hereunder, separate action or actions may be brought and prosecuted against any of the Guarantors whether action is brought against Debtor or whether Debtor

joined in any such action or actions. Creditor may maintain successive actions for other defaults. Creditor's rights hereunder shall not be exhausted by their exercise of any of their rights or remedies or by any such action or by any number of successive actions until and unless all indebtedness and obligations hereby guaranteed have been paid and fully performed.

11. This is a continuing guaranty and each Guarantor agrees that it shall remain in full force until and unless the Guarantor delivers to Creditor written notice that it has been revoked as to credit granted subsequent to the effective time of revocation as herein provided. Delivery of such notice shall be effective by personal service upon Creditor, or by mailing such notice by certified or registered mail, return receipt requested, postage prepaid and addressed to Creditor. Regardless of how notice of revocation is given it shall not be effective until 3:00 p.m. Eastern time on the next succeeding business day following the day such notice is delivered; but delivery of such notice shall not affect any of the obligations of any Guarantor hereunder with respect to credit extended prior to the effective date of such revocation nor shall it affect any of the obligations of any other guarantor for the credit granted to Debtor hereunder.

12. Each Guarantor agrees to pay to Creditor, without prior demand, reasonable attorneys' fees and all costs and other expenses which Creditor expends or incurs in collecting or compromising any indebtedness of the Debtor or in enforcing this Continuing Guaranty against any Guarantor or any indebtedness hereby guaranteed, whether or not suit is filed. Each Guarantor warrants and represents that he/she/it is fully authorized by law to execute this Continuing Guaranty.

13. This Continuing Guaranty shall benefit Creditor, its successors and assigns, including the assignees of any indebtedness hereby guaranteed, and shall bind the heirs, successors, and assigns of each Guarantor. This Continuing Guaranty is assignable by Creditor with respect to all or any portion of the indebtedness and obligations guaranteed hereunder and, when so assigned to one or more assignees, each Guarantor shall be liable under this Continuing Guaranty to every such assignee without in any manner affecting the liability of Guarantors hereunder with respect to any indebtedness or obligations retained by Creditor.

14. No provision of this Continuing Guaranty or right of Creditor hereunder can be waived, nor can any Guarantor be released from any obligation hereunder except by a writing duly executed by Creditor. Should any one or more provisions of this Continuing Guaranty be determined to be illegal, invalid, or otherwise unenforceable, all other provisions nevertheless shall be effective. This Continuing Guaranty shall be governed by and construed in accordance with the laws of the State of New York, without reference to its conflicts of laws principles, to the jurisdiction of whose courts each Guarantor agrees to submit.

15. If more than one Guarantor signs this Continuing Guaranty, the obligation of all of the Guarantors shall be joint and several. Re: Notice of Material Breaches of Various Agreements

To All Concerned:

My firm has been retained by East-West International (Taiwan) Enterprises and its affiliates (collectively, "Eastwest") regarding its disputes with Mr. Joseph DelGreco, individually, and Joseph DelGreco and Company, Inc. ("DelGreco"). I am writing to provide notice of various material breaches of the agreements among the parties and other outstanding obligations. Capitalized terms shall have the meaning given in the operative documents unless otherwise defined.

Exclusive Production, Distribution, and License Agreement dated as of September 26, 2007
("Distribution Agreement")

With regard to the Distribution Agreement, notice is hereby given pursuant to Sections 13, 14, and 15.1 of the following material breaches, along with the intention of Eastwest to terminate the Distribution Agreement at the earliest possible opportunity.

- DelGreco is in material breach of Section 7 because the Licensee's North Carolina warehousing and distribution facility is required to be used for all Licensed Products. DelGreco has diverted a shipment of Licensed Products (which were also paid for by Eastwest and are therefore owned by Eastwest) to DelGreco directly. To cure this breach, DelGreco must immediately redirect the shipment in question to Eastwest and its facility, which DelGreco has refused to do despite previously provided written notice to counsel.
- Further, these improper acts also violate Section 11.(ii) because DelGreco has entered into a commitment with a third party in violation of its obligations under the Distribution Agreement.
- DelGreco is in material breach of Section 7.1 because it has failed to pay its invoices owed in a timely manner. \$203,970.80 is currently overdue (absent any interest or other penalties) to Partrade and a minimum of \$69,120.04 is currently overdue to Victoria Point (\$722,206.84 minus the maximum alleged value of \$653,086.80 of Existing Stock as a credit). To cure this breach, DelGreco must immediately pay all outstanding invoices in full.
- DelGreco misrepresented the status of its DELGRECO & COMPANY trademark in diligence, during negotiations, and thereafter on a continuing and ongoing basis (including on its website and on its marketing materials), representing that it is registered. Our recent search of the United States Patent and Trademark database reveals that the mark is not registered. To cure this breach, DelGreco must provide proof of valid registration, else Eastwest will deem this misrepresentation a material breach and act of fraudulent inducement. We also note the applicable legal prohibitions against and consequences of falsely representing a registered trademark.

Please note that Eastwest will seek its full attorney's fees pursuant to Section 15.9.

Security Agreement dated as of September 26, 2007 ("Security Agreement")

With regard to the Security Agreement, notice is hereby given that DelGreco is in default as defined in Section 7, as well as Eastwest's intention to enforce its rights at the earliest possible opportunity.

- DelGreco is in material breach of Section 3.(j) because Eastwest made a valid written demand to inspect the Collateral and DelGreco's books and records pertaining thereto, which DelGreco refused. To cure this breach, DelGreco must immediately permit prompt and full access by Eastwest to inspect the Collateral and DelGreco's books and records. This letter constitutes an additional request pursuant to Section 3.(j).

As above, Eastwest shall seek its attorney's fees.

Agreement to Repay US\$850,000

DelGreco was wired US\$850,000 which it agreed to repay. This money is overdue and a payment schedule was due by June 25, 2008, which was never provided. DelGreco can cure this default by immediately repaying these funds in their entirety.

Breach of Promissory Note dated September 26, 2007 ("Promissory Note")

Finally, DelGreco is also in default of the Promissory Note.

- Pursuant to Section 5.1, DelGreco was required to make an initial interest payment upon execution and delivery of the Promissory Note of US\$767.12 to cover the outstanding loan balance of the Loan Amount from the date of funding through the end of the first month. This payment was never made (and, indeed, is now higher because it must be computed at the Default Interest Rate, as described below).
- Pursuant to Section 5.1, DelGreco is required to make interest payments by the 5th of each month for the accumulated interest of the previous month. However, many payments have been late.
 - The payment due on November 5, 2007 was not made until December 18, 2007, which was 43 days late.
 - The payment due on December 5, 2007 was not made until December 18, 2007, which was 13 days late.
 - The payment due on February 5, 2008 was not made until March 4, 2008, which was 28 days late.
 - The payment due on April 5, 2008 was not made until May 29, 2008, which was 54 days late.
 - The payment due on May 5, 2008 was not made until May 29, 2008, which was 24 days late.

As will be described below, each of these payments, as well as the few payments actually made on time, were all deficient by US\$2,500. Section 6 of the Promissory Note specifies late charges for all payments which are less than the full amount by the due date, which total in this case US\$1,000: US\$625 for the underpayments that were just late and \$375 for the underpayments which were otherwise timely.

- Pursuant to Section 8, the interest rate under the Promissory Note is the Default Interest Rate for all periods during which DelGreco is in default. The Default Interest Rate is 10.0% and has been in effect since the effective date of the Promissory Note since the initial payment required under Section 5.1 was never made (and default has continued uncured, compounded by additional defaults). The actual interest owed each month has therefore been US\$8,333.33, not US\$5,833.33. Each interest payment has been deficient by US\$2,500, and the initial (unmade) payment required under Section 5.1 was deficient as well. Through today's date, the accumulated unpaid interest is US\$22,931.51.

Pursuant to Section 12 of the Promissory Note, Eastwest hereby declares an event of default and, in its sole discretion, declares immediately due and payable the entire unpaid balance of US\$1,000,000, along with all unpaid interest at the Default Interest Rate and unpaid late charges. Eastwest reserves all its rights and remedies under the Promissory Note and under the related Loan Documents, including the Security Agreement and the Continuing Guaranty agreement.

You are instructed to preserve all Collateral in its current form and to take no actions which would deteriorate the value of the Collateral, transfer the Collateral, or otherwise interfere with Eastwest's security interest. In addition, you are further instructed to begin assembling and collecting all Collateral so that Eastwest may promptly take possession of the Collateral. Further, you are instructed to make available all documents, instruments, computer hardware and software, files and records, and any receptacles and cabinets containing the same relating to the Collateral.

Eastwest would prefer to work with DelGreco's attorney to develop a plan and agreement for the efficient foreclosure of the liens and security interests created by the Security Agreement. However, unless we are able to develop such a plan with DelGreco counsel by 9:00 a.m. EDT on July 7, 2008, we will be forced to pursue the other remedies available to Eastwest.

As provided in the Promissory Note, Eastwest shall seek its attorney's fees.

DelGreco is in further default and material breach of the other Loan Documents because of its default under the Promissory Note.

This letter is not intended to be an exhaustive list of all events of default, breaches, or other wrongs by DelGreco. Eastwest will pursue all available remedies and this letter is not a waiver or limitation upon any rights or remedies available to Eastwest.

Very truly yours,
PERKINS COIE LLP
